The More We Are Together

The more we are together, together, together
The more we are together, the happier we'll be
For your friends are my friends and my friends are your friends
So the more we are together the happier we'll be.

One At Rest

Think of me as one at rest,
for me you should not weep,
I have no pain, no troubled thoughts,
for I am just asleep.

The living, thinking me that was,
is now forever still,
and life goes on without me,
as time forever will.

If your heart is heavy now,
because I've gone away,
dwell not long upon it friend,
for none of us can stay.

To those of you who like me,
I sincerely thank you all,
and those of you who loved me,
I thank you most of all.

It matters not now if time began
or if time will ever cease,
I was here, I used it all,
and now I am at peace.
