## Abide with Me

Abide with me, fast falls the eventide  
The darkness deepens Lord, with me abide  
When other helpers fail and comforts flee  
Help of the helpless, oh, abide with me

Swift to its close ebbs out life's little day  
Earth's joys grow dim, its glories pass away  
Change and decay in all around I see  
O Thou who changest not, abide with me

I fear no foe, with Thee at hand to bless  
Ills have no weight, and tears no bitterness  
Where is death's sting?  
Where, grave, thy victory?  
I triumph still, if Thou abide with me

Hold Thou Thy cross before my closing eyes  
Shine through the gloom and point me to the skies  
Heaven's morning breaks, and earth's vain  
shadows flee  
In life, in death, o Lord, abide with me  
Abide with me, abide with me

## How Great Thou Art

O Lord, my God, when I in awesome wonder  
Consider all the works Thy Hands have made  
I see the stars, I hear the rolling thunder  
Thy power throughout the universe displayed

### Refrain

*Then sings my soul, my Saviour God, to Thee  
How great Thou art, how great Thou art  
Then sings my soul, my Saviour God, to Thee  
How great Thou art, how great Thou art*

And when I think of God, His Son not sparing  
Sent Him to die, I scarce can take it in  
That on the Cross, my burden gladly bearing  
He bled and died to take away my sin

### Refrain

When Christ shall come with shouts of acclamation  
And lead me home, what joy shall fill my heart  
Then I shall bow with humble adoration  
And then proclaim, my God, how great Thou art

### Refrain
