Poem

We know that no matter what,
You will always be with us.

When life separates us we know it is only your soul, saying goodbye to your body.
But your spirit will be with us always.

When we hear a Tui singing on a nearby branch,
we will know it is you singing to us.

When a butterfly brushes gently by us, so care freely,
we will know it is you assuring us you are free from pain.

When the gentle fragrance of a flower catches our attention,
we will know it is you reminding us, to appreciate the simple things in life.

When the sun shines through our window,
we will feel the warmth of your love.

When we hear the rain pitter patter against our roof,
we will hear your many words of wisdom.

And we will remember that without rain, trees cannot grow.

Without rain, flowers cannot bloom.

Without life's challenges we cannot grow strong.

When we look out to the sea,

we will think of your endless love for your family.

When we think of mountains, their majesty and magnificence,
we will think of your courage.

No matter where we are, Your spirit will be beside us
For we know that no matter what, You will always be with us.
