One at Rest

Think of me as one at rest
For me you should not weep
I have no pain, no troubled thoughts
For I am just asleep

The living, thinking me that was
Is now forever still
And life goes on without me
As time forever will

If your heart is heavy now
Because I've gone away
Dwell not long upon it
For none of us can stay

For those of you who liked me
I sincerely thank you all
For those of you who loved me
I thank you most of all

It matters not now if time began
If time will ever cease
I was here, I used it all
And now I am at peace
