## *Liana's Light*

Her absence is felt  
A skipped beat  
A lost thought  
A breath not quite caught

Liana's sensitivity made  
her vulnerable to the  
chaos of life  
Try as she might, and  
her strength was mighty  
The ebbs and flows  
took their toll

So here we stand without  
her unique, beautiful soul  
It is too soon  
It will always be too soon

She knew she was loved  
deeply, unconditionally  
Her spirit is full of  
that love, your love  
as she transforms into the  
light she longed to be

A light that will surround  
us for the rest of our days
