Hymn: 'Abide with Me'
Abide with me, fast falls the eventide
The darkness deepens Lord, with me abide
When other helpers fail and comforts flee
Help of the helpless, oh, abide with me.

Swift to its close ebbs out life's little day
Earth's joys grow dim, its glories pass away
Change and decay in all around I see
O Thou who changest not, abide with me.

I need thy presence every passing hour.
What but thy grace can foil the tempter's power?
Who like thyself my guide and strength can be?
Through cloud and sunshine, Lord abide with me.

I fear no foe, with Thee at hand to bless
Ills have no weight, and tears no bitterness
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

We feel thyself before my closing eyes
Shine through the gloom and point me to the skies
Heaven's morning breaks, and earth's vain shadows flee
In life, or death, o Lord, abide with me.

Photographic Memories
'Thank God I'm a Country Boy' - John Denver

The Lord's Prayer
Our Father which art in Heaven,
Hallowed be thy name;
Thy kingdom come, Thy will be done
On earth as it is in heaven.
Give us this day our daily bread;
And forgive us our trespasses
As we forgive those who trespass against us;
And lead us not into temptation,
but deliver us from evil.

For thine is the Kingdom, the Power and the Glory,
For ever and ever.
Amen.
